

Sanskriti KMV School

19th APRIL 2023, Wednesday

TECH MOVE, a smart MOVE!

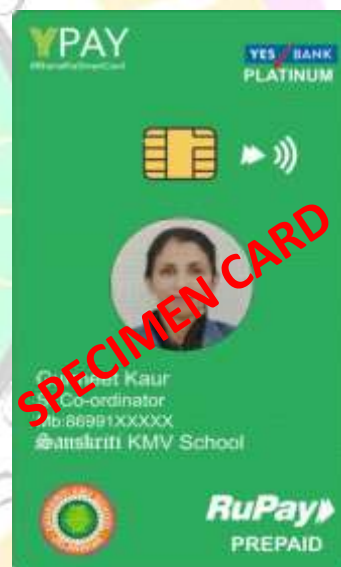

Dear Parents,

Each session, Sanskriti KMV School heads on with Technological Advancements, raising the standard bar every year.

Hence, bringing the students into the responsible use of **DIGITAL WALLET** in their day to day life and also enabling the Financial Literacy Mission, initiated by our Honourable Prime Minister, school is in the process of providing , **YES Bank Debit Card cum Attendance Card** to each student very soon.

An all-purpose **YES Bank Debit cum Attendance Card** will serve as:

1. Student's Identity Card
2. Biometric Attendance Card.
3. Debit Card for cash less transaction in/out of the school.
4. Earn Loyalty Points on each transaction on the debit card
5. YES Bank offers as applicable.

For this, parent's KYC will be done by the school shortly.

In the booming phase of ARTIFICIAL INTELLIGENCE, let us educate our children with it's practical usage. We are sure this add-on tech feature will strengthen the school information desk for all.

Hence in this regard, a nominal amount of Rs 600 per student for the Digital Card inclusive of the *School Almanac, must be submitted to the class in-charge by 22nd April 2023, Saturday.

**School Almanac has already been issued to all the students.*
