**Night Sky Vision Instructions**

**Grade VII and VIII**

**Dear Parents**

In context to the Night Sky Vision, follow the given instructions and schedule. (Only for registered students)

**\*Reporting time for students in the school - 6:00 pm sharp.**

**\*Students must come in school uniform and maintain proper discipline.**

**\*Students will directly report to the group incharge in the auditorium for brief information.**

**\*Thereafter, students will assemble in the main ground, where they will visualise the Celestial bodies through telescope.**

**\* Dispersal tentatively by 8:00 pm.**

**\* It's mandatory for each student to inform the group incharge before leaving the campus.**

**\* Pick & drop of students is to be monitored by the parents themselves.**

**Looking forward to a great learning experience.**
