16th April 2026, Thursday

Celebrating Our Only Home: Earth Day Activities 2026

Grade I to X & XII

Dear Students and Parents,

To instill a sense of responsibility and care towards our environment, the school will be celebrating Earth Day on

22nd April 2026 on the theme:

"Our Power, Our Planet."

The activities are as follows:

➤ Grades I & II: Green Food / Green Lunch Day

Students are encouraged to bring healthy green food items in their tiffin to promote eco-friendly eating habits.

➤ Grades III to V: Poster Making / Drawing Activity

Students will express their ideas on saving the Earth through creative artwork.

➤ Grades VI to VIII: Slogan Writing Activity

Students will write impactful slogans highlighting the importance of environmental conservation.

➤ Grades IX, X & XII: Declamation on the given theme

Let us pledge to protect and preserve our Mother Earth.
