Code of Conduct for Parents
Nursery to Grade XII

Dear Parents,

Greetings from **Sanskriti** KMV School!

We deeply value your continuous support and collaboration in nurturing a safe, respectful, and disciplined learning environment for our children. As *a temple of learning*, school is a place that demands dignity, decorum, and mutual respect from every individual who enters its premises.

In light of recent observations, to maintain a conducive and secure atmosphere within the school, you are expected to follow the given code of conduct when visiting the school:

- Adhere to the school drop-off and pick-up timings.
- Do not drive or enter from the wrong side of the road while dropping or picking up your child.
- Parents should dress in a decent and appropriate manner while visiting the school and avoid wearing capris, shorts, nightwear, or casual lounge wear.
- Carrying weapons, sharp objects or any harmful item is strictly banned.
- Be polite and cooperative with the school staff, guards, and teachers.
- You are expected to respect the security protocols.

We seek your cooperation and understanding in maintaining a safe and respectful atmosphere for our children.
