SWACHHATA SURVEKSHAN 2026

Nursery to Grade XII

Dear Parents and Students,

This is to apprise you that the *Swachhata Survekshan Survey* is being conducted by the Municipal Corporation, Jalandhar under the Swachh Bharat Mission. The primary objective of this survey is to encourage active citizen participation, spread awareness regarding cleanliness and hygiene, and promote healthy competition among cities for better sanitation, waste management and improved quality of life.

- Participation in the survey is mandatory for all the citizens.
- All parents, students and teachers are required to complete the survey positively at the earliest and contribute actively towards the cleanliness mission of our city.
