Important Update, Nursery to Grade XII

Dear Parents,

At Sanskriti K.M.V. School, we firmly believe that meaningful progress is achieved through mutual trust and open communication.

Your feedback is not merely heard—it is genuinely valued, and carefully considered while making every decision that affects our students.

The results of the Opinion Poll revealed that 72.9% of the parents were not in favour of the increased school working hours, while 27.1% supported the change.

Keeping this valuable feedback, the school has decided to revert to the previous school timings, thereby replacing the revised timings communicated on 15th July 2026, School Update.

Accordingly, the following school timings will be effective from Monday, 20th July 2026:

- Grades I–X
