

Sanskriti KMV School

13th August 2026, Thursday

*“3030 Eklavya – Computational Thinking (CT),
Artificial Intelligence (AI) & STEM” Online Series
Grades VIII & IX*

Dear Parents/Students,

The Central Board of Secondary Education (CBSE), in collaboration with IIT Gandhinagar, has launched the “3030 Eklavya – Computational Thinking (CT), Artificial Intelligence (AI) & STEM” online series to develop computational thinking, AI-readiness, logical reasoning, problem-solving and creative-thinking skills among students.

➤ Programme Details

- Episode 1: Computational Thinking and AI with Matchboxes
- Date: Saturday, 15 August 2026
- Time: 4:00 p.m.
- Subsequent Episodes: Every Sunday at 4:00 p.m.
- Total Sessions: 8
- Registration: Free and compulsory for participation

➤ *Registration & Programme Details:*
