10th August 2026, Monday

National Deworming Day
Nursery to Grade XII

Dear Parents,

As part of the **National Deworming Day (NDD)** initiative, the prescribed deworming tablet was administered today, **10 August 2026**, to students from **Nursery to Grade XII**, in accordance with the guidelines of the **Department of Health & Family Welfare, Government of Punjab**.

➤ Parents are required to take note of the following important instructions:

- The prescribed deworming tablet should **not** be taken on an empty stomach.
- It should be taken **after a proper meal, preferably after dinner**.
- If your child is unwell or undergoing any medical treatment, please consult a doctor before administering the tablet.
- In case of any unusual or persistent discomfort after taking the tablet, please seek medical advice promptly.

The **National Deworming Day** initiative aims to prevent worm infections among children and adolescents and promote their **health, nutrition, growth, and overall well-being**.
