Fevicreate Idea Labs – Season 4

For Grades I to VIII

Dear Parents,

Igniting young minds through creativity and innovation!

***Fevicreate Idea Labs – Season 4*, India's only science-based crafting contest, invites students of Grades I to VIII to explore their creative potential and bring their innovative ideas to life.**

***Theme:* 'Sustainable Future with Recycled Material'**

Students are encouraged to create an innovative *3D Project* reflecting their interpretation on the given theme using recycled materials. The use of Fevicol MR is mandatory, along with other materials of their choice.

Submission Deadline:
18th November 2026, Wednesday

Exciting Prizes:

- ***1st Prize: ₹1,00,000***
- ***2nd Prize: ₹75,000***
- ***3rd Prize: ₹50,000***

➢ ***All participants will receive E-certificates from Fevicreate.***
